

## **ATTENTION MEMBERS**

In the event of an emergency or disaster situation the St. Lawrence Federal Credit would advise members to listen to or watch the following radio and television stations for up to date reporting. All closings or delays related to the credit union will be broadcast on these stations:

- Q-Country 102.9 WNCQ
- Continuous Hits Yes-FM WYSX
- Super Hits PAC 98.7 WPAC
- News7 WWNY
- Fox 28 WNYF

Please do not try to contact these stations during an emergency, the staff of the credit union will keep them informed and updates will be broadcast.

It will be the policy of the St. Lawrence Federal Credit Union to limit cash withdrawals to \$200.00 per member during a disaster situation. This measure is to make certain we maintain availability of funds, in the event we are unable to get a money shipment from our carrier. We will make every effort to minimize inconveniences to members.

If you have questions about our policy please feel free to ask questions prior to a situation. We wish to provide assurance that your credit union services will be available with the least possible interruptions when an unforeseen emergency occurs.
