**Introducing**  
**CardValet**

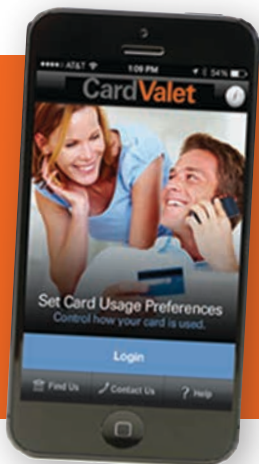

St. Lawrence Federal Credit Union wants to introduce you to **CardValet**<sup>®</sup>, an app that allows you to safeguard your debit card from fraud.

**CardValet** allows you to set spending limits, receive customized alerts, and turn your card “on” and “off” from your mobile device — anytime, anywhere.

## It's simple.

Download CardValet from GooglePlay™ or the App Store™ to take control of your debit card.

**Download today!**

## Features include:

- Ability to turn debit cards ON or OFF from your smartphone
- Customized alerts that you set based on transaction amount, merchant type or location
- Receive notification if a transaction is attempted, then denied
- Control spending on multiple, unique cards by setting custom limits—great for parents and businesses!
